REWARDS AT BCPK

We believe wholeheartedly in positively reinforcing our school values. All children have their individual strengths and passions and should feel valued.

Community, integrity and kindness matter and respectful conduct is at the heart of all that we do.

THE PELICAN PATHWAY

“The Pelican Pathway inspires and encourages pupils to reach their full potential, wherever their strengths lie. It celebrates pupils who uphold the qualities we most value in our learning”

THREE PILLARS

The Pelican Pathway is made up of three distinct pillars of reward for pupils: PROGRESS, PARTICIPATION and PARTNERSHIP. Reward in each pillar is encouraged, fostering rounded and confident pupils.

PROGRESS

Reward for positive learning within the classroom resulting in strong academic progress.

PARTICIPATION

Reward for co-curricular contribution encompassing sporting achievement and performance in the arts.

PARTNERSHIP

Reward for working in partnership with peers, staff and our wider community, recognising all aspects of pastoral contribution.

PELICAN POINTS:

To journey along the Pelican Pathway, pupils collect Pelican points which are awarded to them by our staff team. From Reception to Year 2 Pelican points are

awarded to pupils when they show clear examples of our defined qualities in any of the three pillars. Their points are recorded in classrooms on their individual 'Pelican Pathway' mats. From Year 3 upwards Pelican points are awarded for upholding the same qualities across each of the three pillars individually. This allows pupils the opportunity to gain separate rewards within each area of school life. Their points are recorded on their own Epraise profile online which is updated live

REWARDS IN THE PRE-PREP

As the children progress through the school there is a system of positive rewards in the Nursery and Pre-Prep. These are celebrated with the pupils in assemblies with the Head of Pre-Prep.

From Reception to Year 2 pupils are awarded Pelican points when they uphold any of the qualities we most value in our learning. Reward can be achieved and will be encouraged in each of the seven values which represent the Pelican Pathway. Each week, in Celebration Assembly, children are awarded stickers when they uphold these values. As pupils accumulate their Pelican points, they will be awarded bronze, silver and gold awards. The Pelican Pin and Pelican Crest awards are given to those pupils who achieve significant Pelican point totals over the course of an academic year

REWARDS IN THE PREP SCHOOL:

PROGRESS From Year 3, pupils are awarded Pelican Points in the PROGRESS pillar when they uphold our school values in the academic area of school life. Reward in this pillar can be achieved in all academic subjects, including art, both in lessons and in preps completed at home. Examples include when pupils show creativity with academic problem-solving, high levels of perseverance when faced with a challenging topic, or excellent understanding in a specific academic subject. As they accumulate their Pelican points along the Progress pathway, pupils will be awarded the bronze, silver and gold awards for Progress. The highest reward reached is the Progress Pin or Progress Crest which are awarded to those pupils who achieve significant Pelican point totals over the course of an academic year.

PARTICIPATION Pupils are awarded Pelican Points in the PARTICIPATION pillar when they uphold our school values in the co-curricular area of school life. Reward in this pillar can be achieved in all areas of co-curricular provision, including sport, music and drama. Examples include when pupils show perseverance in their performance technique, leadership skills in games situations or achieve a high level of knowledge in a specific area of music. As they accumulate their Pelican points along the Participation pathway, pupils will be awarded the bronze, silver and gold awards for Participation. The highest reward reached is the Participation Pin or Participation Crest which are awarded to those pupils who achieve significant Pelican point totals over the course of an academic year

PARTNERSHIP Pupils are awarded Pelican Points in the PARTNERSHIP pillar when they uphold our school values in the pastoral area of school life. Reward in this pillar can be achieved in all realms of pastoral development, including personal, community or house initiatives. Examples include when pupils show improvement in their pastoral understanding, effort in developing personal or peer related pastoral qualities or sharing knowledge related to pastoral themes. As they accumulate their Pelican points along the Participation pathway, pupils will be awarded the bronze, silver and gold awards for Participation. The highest reward reached is the Partnership Pin or Partnership Crest which are awarded to those pupils who achieve significant Pelican point totals over the course of an academic year

HOUSE SYSTEM

Each child is allocated to one of the four houses. This is a vertical grouping system, and we aim to keep a balance of gender in each year group in each house. In the Prep school there are regular house meetings at which rewards and sanctions are discussed. The house system aims to encourage healthy competition, cooperation, teamwork and loyalty.

STANDARDS OF BEHAVIOUR

The School expects high standards of behaviour. Pupils are encouraged to maintain a good work ethic and good levels of behaviour. Each member of staff is expected to promote self-discipline amongst pupils and to deal appropriately with any unacceptable behaviour.

It is understood that there will be variations in staff acceptance and tolerance of behaviour in class depending on the nature of the class and content of the

lesson., but behaviour which does not allow constructive teaching and learning is totally unacceptable and all staff have a duty to ensure that such behaviour is not tolerated

Everyone at Brighton College Prep has the right to feel secure and to be treated with respect. Bullying will not be tolerated, and the school's anti bullying policy is available on the website.

SCHOOL RULES

Our aim is to reward and encourage good behaviour, while sanctions help us to set boundaries to manage challenging behaviour. In this way, our intention is to help pupils understand what is expected of them and why sanctions may be imposed for inconsiderate and unacceptable behaviour. Pupils are encouraged to use common sense and behave in a way that reflects the best interest of the whole community and which supports our school ethos that kindness is the currency.

Parents and Guardians undertake, when signing the Parent Contract, to support the authority of the Head in enforcing our rules in a fair manner that is designed to safeguard the welfare of the community as a whole.

The Head, for her part, undertakes to ensure that sanctions are applied fairly throughout the school and where appropriate, after due investigation has taken place.

The Deputy Head oversees the discipline policy at Brighton College Prep Kensington in consultation with the Head, other members of SLT, Tutors and other members of staff.

READY TO LEARN POLICY

Created by our own pupils through the SCHOOL COUNCIL, we have a ready to learn policy that is part of respectful conduct both in class and around school.

REFLECTIONS & DETENTIONS

If the pupil breaks the code of conduct, they may find themselves in either a Reflection, Academic detention, a Deputy Head detention or a Head's after school Detention.

If a pupil breaks the code of conduct, they will find themselves being disciplined by subject teachers or any other member of staff. In the Prep School we have a DEMERIT system. A DEMERIT may be issued for a minor offence, and is used as

a warning that you may not be getting things quite right or not responding to the reasonable requests of school staff. Each demerit will result in a discussion with their tutor so they can be given appropriate support / guidance. Parents will also be notified by the teacher if the pupils are given a Reflection so parents are able to discuss any issues with their child.

If the pupil receives three Reflections in one half term, they will receive a detention (either pastoral or academic) This will be held at a time of the Deputy Head's discretion.

This will go on the school record and parents will be contacted. Head's after school detentions can also be given for more serious offences.

SANCTIONS AT BCPK

All rewards and sanctions must be applied fairly and consistently. None of the school's punishments will be degrading or humiliating.

All punishments are recorded which provides a valuable record of ongoing misdemeanours, helps to establish any trends or patterns in a child's behaviour.

EXCLUSION

Only the Head can exclude a pupil. Pupils may be excluded for one or more fixed periods or permanently.

Fixed Periods:

For serious but relatively minor breaches of the school's behaviour and discipline policies pupils can be excluded for one or more fixed-term periods not exceeding 45 school days in one academic year.

For Example:

- Wilful damage to staff/school pupils' property
- Stealing
- Using inappropriate language

- Entering private areas of the opposite sex
- Aggressive or violent behaviour
- Bullying
- Drug or alcohol use
- Vandalism
- Persistent misdemeanours
- Not respecting differences arising out of gender pregnancy or maternity, disability, race, religion or belief, cultural background, linguistic background, special educational need, sexual orientation, gender reassignment or academic or sporting ability (Equality Act)

A decision to exclude a pupil permanently will only be taken as a last resort when a wide range of strategies for dealing with disciplinary offences has been employed to no avail, or if an exceptional 'one-off' offence has been committed.

For example:

- Serious violence, actual or threatened, against a pupil or member of staff
- Sexual abuse or assault
- Supplying an illegal drug
- Carrying an offensive weapon
- Persistent low-level offences
- Ongoing bullying
- Failure to respond to school support systems
- Continuing on a course of behaviour that undermines the smooth running of the school community
- Alcohol abuse
- Frequent examples of suspendable incidents
- Breach of the terms of the Parent contract.

PARENTAL COOPERATION

Parental cooperation forms a part of the parent contract between the school and all parents of pupils at the school. A refusal to abide by terms of exclusion may be considered a breach in contract.

APPEALS

Parents are entitled to appeal to against any exclusion. A letter of appeal should be sent to the school and addressed to the General Manager. A hearing will be set up as quickly as possible, but at the latest within 10 days upon receipt of the appeal. The decision is final.

CORPORAL PUNISHMENT AND RESTRAINT

There is no corporal punishment threatened or allowed by the school. However, if authorised by the Head, a teacher, or other member of staff may use 'reasonable force' to prevent a pupil from:

- Committing an offence
- Causing personal injury or damage (including to themselves)
- Engaging in any activity prejudicial to the maintenance of good order, whether during a lesson or at any time.

Any form of physical restraint will be communicated with parents that day or as soon as practicable. The Senior Leadership Team will be informed, including the Head and records will be kept and stored in a secure pupil file with the Deputy Head.

SANCTIONS FLOW CHART – PREP SCHOOL

Initial Sanctions – A Demerit with a teacher led sanction

Demerit will be added to the Epraise rewards/sanctions system as well as count against their overall house point total. Other sanctions will be run alongside this at the discretion of the teacher and communicated with the tutor and HoY/HoS.

In class: A demerit to be given and it will involve an initial sanction with the teacher of the lesson. This is actioned and run by the teacher involved with the misconduct.

Examples of behaviour:

Not following the 'Ready to learn policy'

Break Time: The pupil is immediately sent to the Gate to sit with the duty member of staff for a 'time-out.' The Gate duty will sign the sheet and Demerit will be recorded on Epraise by the end of the day.

Poor behaviour around school

Wearing incorrect clothing

Poor behaviour at meal times.

Please Note: All form tutors will monitor their tutees sanctions on Epraise. All demerits will be reviewed at HoS Meetings and Pastoral Team Meetings.

Escalation – Further Sanctions

Sanctions can be escalated by staff members if the pupils have not responded to the teacher's initial intervention/sanction in class/around school.

IN CLASS: If there is no improvement then it will result in escalation. Pupils will meet with HoY to reflect on behaviour. Parents/Guardians will be notified if this has occurred. The teacher who escalated the sanction will need to follow up with communication home, by email or telephone call.

This will be recorded on Epraise as a **HoY Reflection**

AROUND SCHOOL or BREAK TIME: If after the 'time out' or initial sanction the pupil repeats behaviour, the member of staff will escalate, and they will be sent to school office. The pupil will meet with the HoS to reflect on their behaviour. *Parents/guardians will be notified if this has occurred. The member of staff who escalated the sanction will need to follow up with communication home.*

The sanction will be recorded on Epraise as a **HoY Reflection**.

At any intervention stage the pupils will reflect on their own choices alongside the school values.

Mobile phones

Whilst in school, the use of phones is not allowed to encourage and facilitate conversation and involvement in activities.

Remember:

- Pupils should not bring their mobile phone to school.

We consider text and phone bullying to be a serious issue. An electronic device can be confiscated under suspicion that it contains evidence of cyberbullying or sexting. The use of an electronic device for making, storing or distributing inappropriate images (e.g. sexting) is a very serious offence, and the pupil's place at the school will be called into question if they are involved in this.

Smoking, alcohol and drugs

It is a breach of the school Code of Conduct for pupils to smoke, and illegal for any person to smoke on school premises. This also includes the use of e-cigarettes. Pupils caught smoking, including using e-cigarettes, on the College campus, on trips off-site with school or at sports fixtures, may be suspended from school.

Pupils are forbidden to drink alcohol at any time.

The school has a strict Drugs and Substances Policy, with no second chances. Senior pupils will receive drug education as part of the PSHEE programme. Any pupil caught bringing illegal drugs onto the campus, to a school activity on- or off-site (holidays or term time), or found to be under the influence of drugs, will be asked to leave the school.

The school may search a pupil's belongings for any banned substances

Sexual behaviour

Any pupils found engaging in any form of sexual behaviour must expect to forfeit their right to be members of the school. There should not be public displays of affection, which may give rise to embarrassment or the feeling of awkwardness in others.

Sex and relationships are considered important areas of knowledge. The curriculum for Relationships and Sex Education (RSE) is developed within Personal, Social and Health and Economic Education (PSHEE) and is delivered through the teaching of science and PSHEE.

Theft

We believe in respect of one another and of each other's property and hence we consider theft to be a very serious matter indeed – it severely undermines the trust which makes a school community thrive. Any pupil who is found to have stolen the property of others may risk their place in the school.

Online safety

The general rules are:

- Be safe – think about the personal information people can find out about you.
- Be considerate – think about the words/images/clips you use online.
- Be good – follow the school rules, including supporting each other whenever online.
- Be wise – make wise choices; remember that your behaviour online remains your behaviour
